

7.3 How to verify your Sell order

This section shall describe how to view your Sell order.

1. Click *Trade Order > Order Enquiry*.

2. You will see **Order Enquiry** screen as below:

* **Note:** If your Sell order still in queue (no match yet - no buyer want to buy your shares at your sell price), the status of your order is **SC**. Your Sell order may be executed in very short time **or** will take longer time depends on current bids of the shares price (seller prices VS buyer prices).

3. If your sell order have been fulfilled / executed (meaning your shares have been bought by stock buyer), the Sell order status will changed to **CF**.
